ABOUT THE CONFERENCE

The IT Security and Ethical Hacking Conference - 2015 will be a unique event in Bangalore, where the best of minds in the hacking world and the IT Security experts, leaders in the information security industry and the cyber community along with the professionals on cyber security meet face-to-face to join their efforts to co-operate in addressing the most topical issues of the Internet Security space..

This will be the Second edition of the Conference. The Conference will be held in Bangalore, on 26th November, 2015 and will get together industry leaders, Academia and ethical hackers, IT Security experts to share knowledge and leading-edge ideas about information security and everything related to it.

The daylong event, will be directed towards managing and securing digital information and will have participants from different fields who will address key issues of information technology. Technical Speakers will present on 0-Day Vulnerabilities, Exploits Hacks, Internet Censorship and National Security Issues etc.

Benefits of Sponsorship

Value Proposition:

As a sponsor you have opportunity to engage with the potential buyers on three levels:

- ✓ The audience at these events comprises techno executives who have paid to attend and have a strong interest in the topic.
- ✓ The conference programmes are aimed at organizations facing business challenges right now and in the near future who are seeking guidance and solutions to help ensure that sponsors meet serious potential new customers.
- ✓ Sponsorship includes opportunities for (i) presenting (ii) participating in a panel (iii) branding (iv) delivering webinars (v) receiving the full attendee list. Please click on the links above for information about the opportunities and packages available.
- ✓ Sponsors will thus engage with potential buyers on multiple levels:
 - Formal: via Presentations, panel sessions
 - Informal: through meetings and networking
 - Follow-up: sponsors receive a delegate list after the event with full contact details
 - Pre and post-event: presenting webinars
- ✓ If you sponsor either of these events you can be included as a sponsor of the other at no additional cost.

The whole day is geared towards maximizing discussion and networking. Sponsors are encouraged to sit with the delegates during sessions so that they can be a key part of the discussions.
